Abstract (in Calibri 11)

Abstracts (submitted in Word file) should be as integral as possible and include goals, importance of research, methodology, main results and a short interpretation. The length of the abstract should be between 250-400 words and the file size should be limited to 5 MB.

All references within the text should follow the Harvard System. References have to be reported at the page bottom, in font Calibri 10 as indicated in the example.

If figures and tables need to be included in the abstract they should have the appropriate resolution for printing (300 dpi colour, 600 dpi b&w).
